

Dear Letizia,

Well, it's been a month since our wedding & Joe & I are finally back to reality. People are still calling our house asking, "who was that band that played at your wedding, they were sooo great! We had a blast." Thanks to you & the Z Band, our "Casino wedding" is the most talked about wedding in our town. That dance floor was packed the entire night. Can you believe it? Even the old people were up to boogie. Your voice was spectacular from the moment you played in church until the end of our midnight reception. We couldn't have asked for a better performer & now friend to have sung at our wedding. Thank you for always being so cool to us & for always taking the time over our 18 mths of planning to help us make our dream a reality. Working with you has truly been a joy!

We hope to see you soon out on the town playing at a gig...

With heartfelt appreciation,
Stacey & Joe Muscolino

Letizia, Bill, and the Z band,

Wow - we were so amazed at how wonderful you were. Guests are still talking about the band and how perfect you were at our wedding.

You made our wedding run so smoothly and we were able to enjoy our night and dance to the great music.

We could never thank you enough. We also appreciated the

Songs you learned for us - especially Butterfly kisses for my dad.

Thank you again!

Sincerely,

Meredith + Jeff Klus

Dear Letizia,

We wanted to thank you and let you know how incredibly much we enjoyed you and your band at our wedding on Aug. 4th! It was fantastic! Everyone is still talking about "how great the band was!" That they've been to hundreds of weddings, Bar Mitzvahs, other parties and have never heard such a fabulous band! You truly "made" our wedding! We all had so much fun! Thank you.

Thank you so much for performing at our wedding (Primerano/McNally 7/5/03). You were such a great help, working with me being several states away, getting the bridal party organized that night, and also for taking special consideration to John's mom's ankle in the mother/son dance. The music was fabulous, the guests danced all night, and you also took care of all the small details! Thank you for making the reception absolutely seamless - I can't wait to see the video! - Lia

Thank you for being at our wedding, and doing so much - getting people of so many age groups up to dance, helping to organize the speeches, and playing a few Irish and Italian songs. It was a great night and we hoped you enjoyed it as much as we did.

Thanks very much. John.

Leticia!

Hi, how are you? I am sure you are busy with the holidays approaching!

Thank you so much for making our wedding day such a great time! The music during the ceremony was beautiful and you certainly kept the party going during the reception! Chad and I had a blast! All of our guests had a great time too. Many of them commented on how wonderful you and the band were!

Thank you for all your help leading up to the wedding too. It was such a relief to know you were in charge of keeping the reception moving! It was everything I dreamed of!

Thank you! Chad and
Leticia
